# NEW in Assessment Criteria

---

- Three-tier performance bands
  - High, Middle, Low
- Practical ICT skills (10%)
  - Demonstrate practical ICT skills in different phases.
- Creativity & Project Management (15%)
  - Demonstrate the ability to manage the phases of the project assignment and produce original ideas, or to make something new or imaginative.

# Project Titles

---

- 2012, 2013 exams
  - 2 project titles given
  - Teachers can provide other school-based project titles to suit their needs when necessary.
- 2014 exam onward
  - School-based project titles set by teachers
  - Tailor-made: meet individuals' needs, interest, aptitude

# Use of Assessment Record

---

- Every student MUST have the standard Assessment Record (SBA handbook)
- Inform students all the assessment criteria in advance

# Setting Project Titles

---

- Topics relevant to the ICT curriculum
- Topics relevant to students' experience
- Provide minimal, sufficient information
  - Room for diversity & creativity
- **Application of what they've learnt from the ICT curriculum**
