Cannot deny ...

- Technologies help us to
 - Overcome
 - Keep
 - Advance

Keys to success

- IT Infrastructure
- Manpower
- Content
- Stakeholder readiness

Keys to success

- IT Infrastructure
 - Network
 - Wireless
 - Wired
 - Internet

Keys to success

- IT Infrastructure
 - Devices
 - Mobile Devices / BYOD
 - Computer
 - Projector
 - Visualizer
 - Printing Solutions
 - Servers
 - Backup

Keys to success

- IT Infrastructure

- Systems

- LMS
 - Intranet
 - Admin System

- WebSAMS, SLP / Portfolio, Attendance ...

- Management System

- 2013-06-29 – AiTLE Seminar : Managing Mobile Devices in Classrooms (www.aitle.org.hk)

Keys to success

- IT Infrastructure
 - Security
 - Software update
 - Trend : Subscription based
 - Funding model

Keys to success

- Manpower
 - ITC
 - TSS
 - Career Pathway
 - Curriculum i/c

Keys to success

- Content
 - Subject experience / professionalism
 - Fitness to teaching
 - Content provider involvement
 - Copyright, CC
 - Legal issues

Keys to success

- Stakeholders
 - Leadership / Management
 - Teacher
 - Training
 - Experience
 - Workload
 - Professionalism
 - Pedagogy

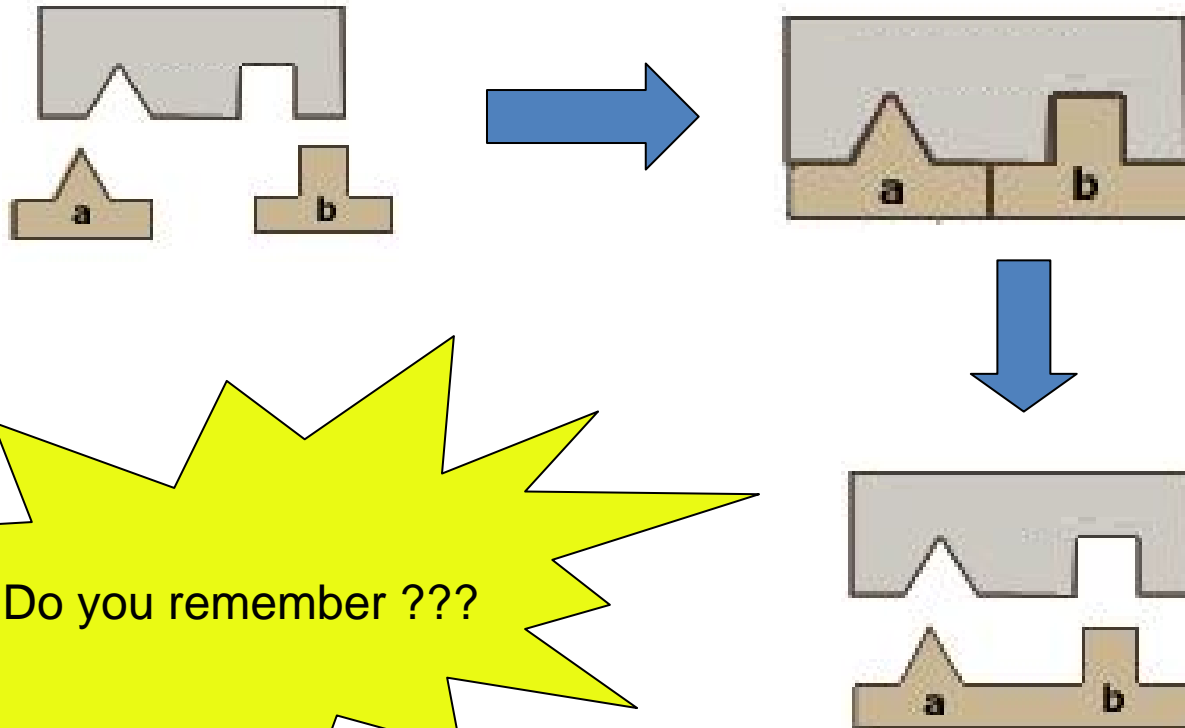

Keys to success

- Stakeholders
 - Student
 - ICT Literacy
 - Parent
 - Mind set
 - Involvement

Most important is

Do you remember ???

Most important is

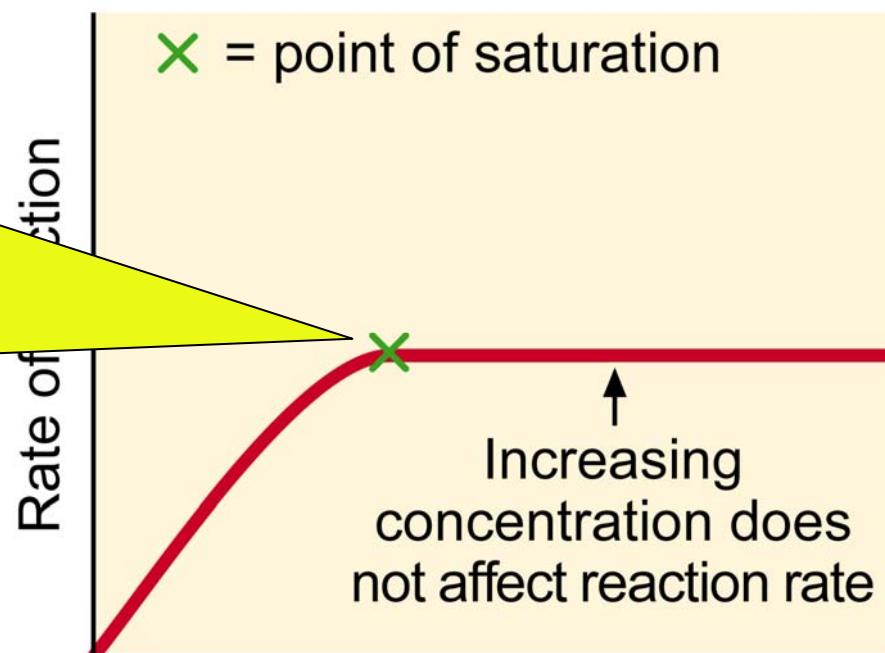

- The most important factor in affecting the reaction rate is

- IT Infrastructure
- Manpower
- Content
- Stakeholder readiness

Any of the above if not good

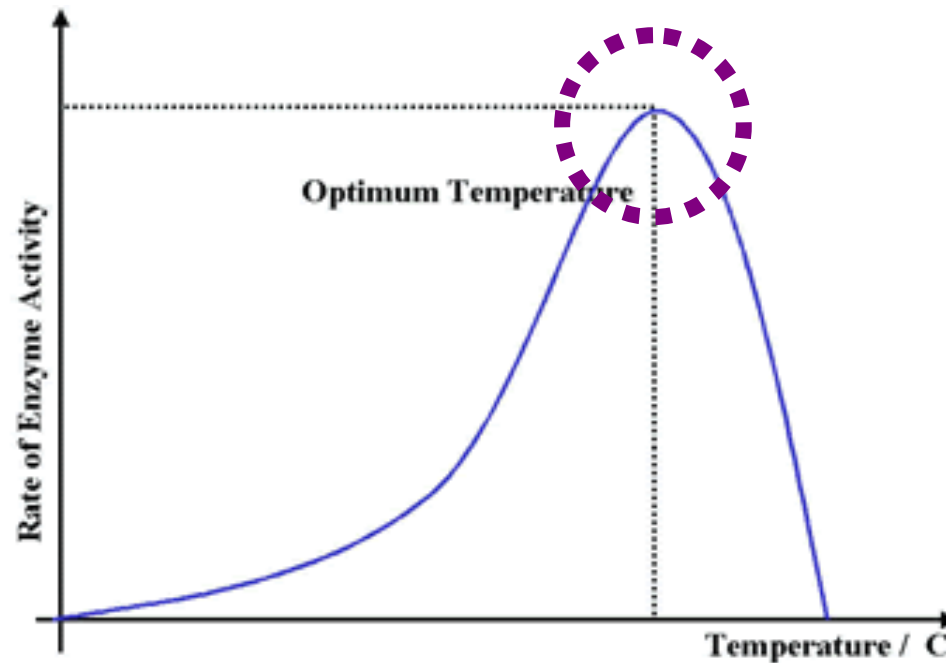

- limiting factors
- blocking the success

Most important is

- Also need to bear in mind that

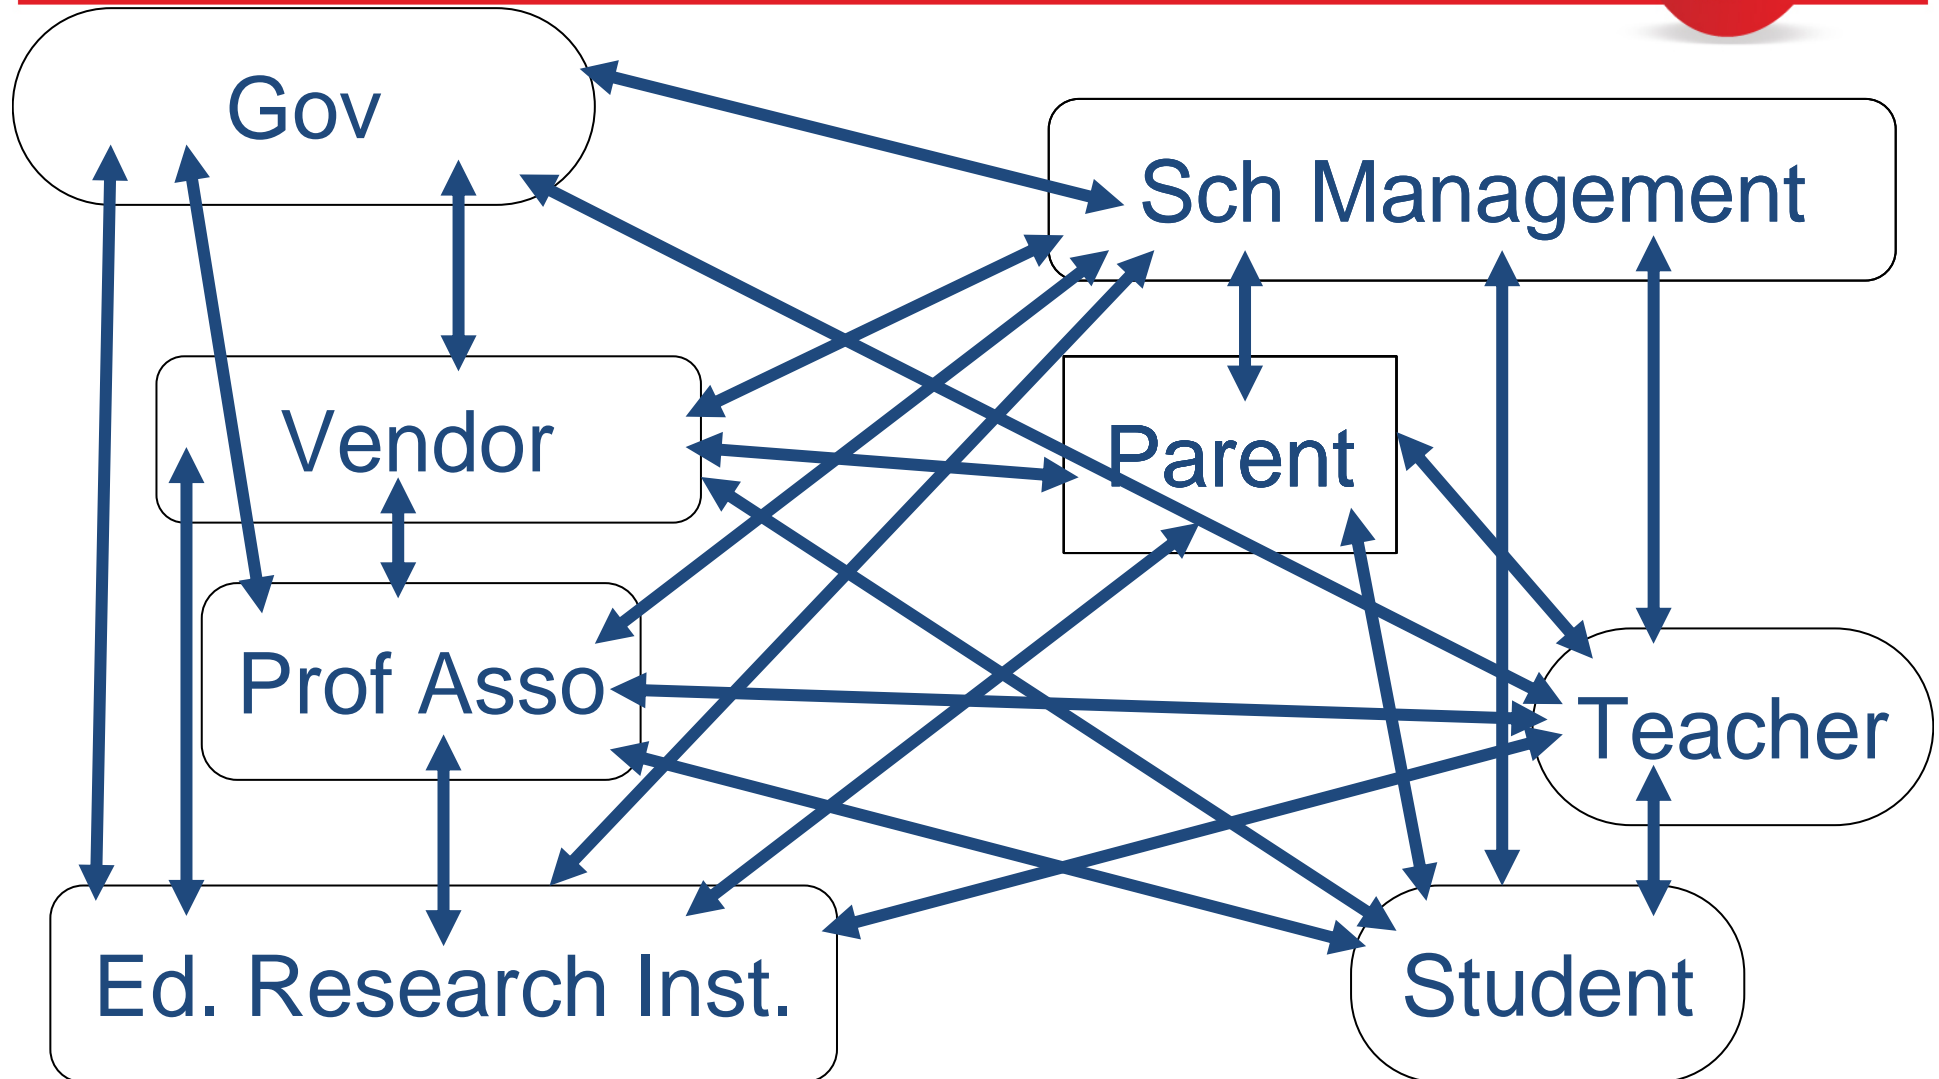

Parties involve

- Government
- School Management
- Teacher
- Student
- Parent
- Vendor
- Education Research Institutions
- Professional Organizations

Parties involve

Keys to success

- Let teachers be the lead
- To sound out their need
- Gov & Mg
 - provide the needs
 - Release their load
- Vendor, Prof Asso, Ed. Inst, Parents
 - Show their support
- To benefit our students !!!

Keys to success

Keys to success

Thank You!
