

Report from Executive Committee :

For the year 2012, we had organized & co-organized various activities, workshops and seminars for our members, AIT course participants, and school teachers. Especially we have a very good enjoyment of our AiTLE 10th year Anniversary. These activities are listed in the chronological order below:

- 2012 - 03 - 24 - Apple iOS Programming Workshop
- 2012 - 04 - 21 - Kinect Programming Workshop
- 2012 - 05 - 12 - AiTLE ICT SBA Review, Topic & Assessment Rubrics Setting Workshop
- 2012 - 05 - 19 - Cisco Mini-Conference
- 2012 - 05 - 26 - Android Apps Programming Workshop
- 2012 - 06 - 02 - Xerox eLearning Solution Day
- 2012 - 06 - 09 - AiTLE 10th Year Anniversary Conference & Luncheon
- 2012 - 06 - 14 - Mobile Apps (Android & iOS) development Workshop
- 2012 - 06 - 18 - Mobile Apps (Android & iOS) development Workshop (RE-RUN)
- 2012 - 07 - 07 - Virtualization in school (Microsoft and VMware Virtualization technology)
- 2012 - 08 - 25 - Cisco Network Skill Competition
- 2012 - 12 - 15 - WebSAMS Router Upgrade Comparison Seminar
- 2013 - 01 - 05 - AiTLE AGM & Setting up of School IT Help System

Apart from arranging activities, Our Exco were invited to attend consultation meetings and to act as members of different consultation committees, which made known our name to EMB, HKEAA and other organizations, as below:

- Our Chairman was invited by EDB to become one of the members of the IT in Education Steering Committee of EDB
- Our Chairman was invited by HKEAA to be one of the members of their ICT Subject Committee and again become the Chairman this year
- Our Chairman was co-opted by the CDC-HKEAA One-Committee on Information and Communication Technology (Senior Secondary)
- Our Chairman was invited by CISCO to be one of their Council members in Hong Kong
- Our Chairman and two of our members were invited by EDB to be members of their WEBSAMS User Group
- Our Chairman was invited by HKEDCITY to become one of the members of their eLearning Advisory Council
- Our Chairman was invited by eLearning Consortium as one of their Exco member
- Our Chairman was invited by eEducation Alliance, eLearning Forum and Mobile Learning Specialist Group as their key members, also doing presentation in different events

- One of our Exco, Mr. Chu Tsz Wing was invited by eLearning Consortium as one of their Exco member
- Some other groups that involved in IT in Education Field

We believe that our involvement in the above activities would be beneficial to our members, the IT educational field as well as the public image of AiTLE.

Also, we have received support from different associations and organizations in providing special offers or free training to our members, including:

- HP providing special discounts for our members purchasing HP products
- Lenovo providing special discounts for our members purchasing Lenovo products

Our success depends not only on the efforts of our Exco, but also the enthusiastic support of our members and other friendly organizations. We, hereby, express our appreciation and gratitude to the following people and associations for their kind support and help during the past year, and anticipate to their support and co-operation in the future:

1. Sponsors of AiTLE 10th year Anniversary Luncheon (Cisco, Microsoft, Xerox, HP, HGC, Ruijie, JOS, Cypher Martin, Starwish Little Prince Studio)
2. CDI, EDB, HKEAA
3. CISCO Systems Hong Kong
4. Shatin IVE
5. Speakers for our Seminar / Workshop
6. UDomain in providing hosting and web supporting services to AiTLE
7. All others whose names were not mentioned here.

We hope our members will continue to support AiTLE by actively participating in our future activities and sharing their ideas and experience in formulating AiTLE future activities.

Report prepared by:
Mr. Albert Wong Kin Wai,
Chairman, AiTLE

Date: 17th Dec, 2012
