

Windows in the Classroom

Great experience across all hardware

Tablets to laptops to all-in-ones

Everything great about Windows 7 we made even better

Touch, mouse, keyboard

Highest power to the most efficient chipset

Windows 8 can easily connect to nearly any device or peripheral wirelessly or through a USB connection.

Print, access homework from a USB, or project a presentation in a snap.

All the apps you want

Apps are the heart of Windows 8

The apps you need are built right in

Apps work together and make each other better

Mail
Calendar
SkyDrive
Photos
People
Messaging

Education Apps

Browse the full range of education apps in the **Windows Store**. From the Khan Academy to Britannica to FreshPaint, there's an app designed for every student and educator need.

With cloud connectivity and SkyDrive, Windows 8 provides an anytime, anywhere learning experience across a range of different devices, both in and out of the classroom.

Wherever you go, the classroom can go with you.
